Declaration of the Naturalization Act of July 1779

I declare that I am the owner and operator of my vessels on Earth from the moment my zygote first formed, together with all DNA and all substance matter in any way associated with me and my incarnation, and I further declare that I accept my divine origin and all honor, right, title, and material interests I am owed;

I declare my political status as an American state national born within the physical borders of California;

I declare under penalty of perjury under the Public Law of The United States of America and from without the United States and without the United States of America Territories, that I reject, renounce, and remove all Powers of Attorney granted by me or issued under my name prior to this day;

I declare under penalty of perjury under the Public Law of The United States of America and from without the United States and without the United States of America Territories, that I reject, renounce, and remove all and any allegiance to any king or prince, any foreign state, foreign government, flag or thing;

I declare under penalty of perjury under the Public Law of The United States of America and from without the United States and without the United States of America Territories, that I have never knowingly, willingly, and voluntarily pledged myself to any incorporated entity at all, including but not limited to any incorporated church, synagogue, mosque or temple;

I declare under penalty of perjury under the Public Law of The United States of America and from without the United States and without the United States of America Territories, that I have never knowingly, willingly, or voluntarily pledged myself to any foreign sovereign or separated myself from my birthright political status;

I declare, publish, and affirm under penalty of perjury under the Public Law of The United States of America and from without the United States and without the United States of America Territories, that my house is established in [Clark] County and my home is established in [Nevada] and no other presumption or impersonation is allowed;

I declare under the aforementioned penalties that I am a Lawful Inheritor, Landlord, Keeper, and Guardian of the Rightful and Lawful Government of this country, acting with Full Right, Authority, Responsibility and Honor, now and always while my tenure on Earth shall last — and I present this Declaration of the Naturalization Act of 1779 and place it upon the Public Record of the [Nevada] Assembly.
