

### Nevada Assembly Member Agreement

In acknowledging and accepting the duties of a Nevada Assembly member, I act without any deceit or profit motive or obligation. I affirm that I am one of the people of Nevada and that I am acting exclusively in my natural and unincorporated capacity. I affirm that I have expatriated from any presumed citizenship obligation owed to the Territorial United States and/or to The Municipal United States and I make no claim of Dual Citizenship and hold no allegiance to any foreign power at all. I affirm by this testament that I am qualified and able and willing to act as a State Citizen, as a Nevada Juror, and as a Nevada Elector and do so of my own free will and I also say that there is, to my best knowledge and belief, no circumstance or obligation barring me from occupying any vacated Nevada public office or preventing me from providing good faith service in such office if I am elected.

In accepting the duties of a Nevada General Assembly member, I also accept the rights and responsibilities thereof. I understand that I may be called upon to serve as a member of a Grand Jury, or a Trial Jury, or to act as a Sheriff's Deputy, or to act as a Witness to Public or Private Records, and that I may be asked to serve in similar capacities with or without pay. I accept my duty to serve Nevada and my fellow Nevadans without reservation, coercion, or issue of conscience. I understand that I am, as a State Citizen, responsible for upholding the Public and Organic law of Nevada and that if I should be elected or appointed or otherwise entrusted with assets belonging to Nevada or any County thereof, I am obligated to act as a deputy and as a fiduciary under the prudent man standard until relieved of such duty.

As a member of Nevada Assembly I shall faithfully promote and help secure justice for all people, throughout the right use of due process and jury nullification. I shall always endeavor to keep the peace and to know and uphold the best standards and traditions of the American Common Law.

So, say I and witness my autograph and thumbprint seal as I commit myself to serve as a member of Nevada Assembly this 30 day of June in the year 2020 before the Nevada Assembly Recording Secretary.
