RE: Revocation of Election to Pay Taxes

Dear Commissioner Rettig,

This letter is to inform you and to state that I revoke my election to pay federal income taxes as of July 29, 2011. I made the mistake that I needed to do so. Having determined that I was never actually a volunteer Warrant Officer in the Merchant Marine Service and clearing the confusion about what a Withholding Agent was and now knowing that I am not a Withholding Agent and never have been when I had signed previous 1040 and other federal tax forms, I now revoke my election to pay any federal income taxes from the above date and going forward.

I claim my exemption under the Supremacy Clause of Article VI of The Constitution of the United States of America and Amendment XI thereof, which provides that no American is subject to foreign law. I am not an individual created under 1USC 8 as a Territorial citizen.

I have only one contract and one contract only with the government officials. If they are MUNICIPAL Employees, the contract is The Constitution of the United States. If they are Territorial Employees the contract is The Constitution of the United States of America. Article VI is the Supremacy Clause, no other law, statute, code, or regulation stands above the Constitution owed to me as an American and any contrary law is null and void. Amendment 10, the power remains with the States and the people. Amendment 11, Americans are not subject to any foreign law. Ever! This includes the statutes of the States of States and the codes of the Federal Subcontractors.

Therefore, I owe no duty to any Municipal or Territorial court, instead any Municipal or Territorial court has a duty to set me free from any presumption of obligation under any foreign law, and to return to me my assets and my freedom without debt or encumbrance.

Kind Regards,
