RE: Revocation of Election to Pay Taxes

Dear Commissioner Rettig,

This letter is to inform you and to state that I revoke my election to pay federal income taxes as of January 1, 2020. I made the mistake that I needed to do so. Having determined that I was never actually a volunteer Warrant Officer in the Merchant Marine Service and clearing the confusion about what a Withholding Agent was and now knowing that I am not a Withholding Agent and never have been when I had signed previous 1040 and other federal tax forms, I now revoke my election to pay any federal income taxes from the above date and going forward.

I, a living man, am serving you Notice of my standing as a State National in Nevada, as I know it is your duty to defend my constitutional guarantees.

I am exempt from all Municipal duty and service by my exemption found at Title 50, Section 7 (c) and (e) of the 2012 Edition of the Federal Code. (Enclosed) I am not an individual corporation created under Municipal law.

I am exempt from all Territorial obligations, as I am a Foreign Sovereign as stated on the Mandatory Foreign Sovereign Immunity Notice (Enclosed). I claim my exemption under the Supremacy Clause of Article VI of The Constitution of the United States of America and Amendment XI thereof, which provides that no American is subject to foreign law. I am not an individual created under 1USC 8 as a Territorial citizen.

I have only one contract and one contract only with the government officials. If they are MUNICIPAL Employees, the contract is The Constitution of the United States. If they are Territorial Employees the contract is The Constitution of the United States of America. Article VI is the Supremacy Clause, no other law, statute, code, or regulation stands above the Constitution owed to me as an American and any contrary law is null and void. Amendment 10, the power remains with the States and the people. Amendment 11, Americans are not subject to any foreign law. Ever! This includes the statutes of the States of States and the codes of the Federal Subcontractors.

Therefore, I owe no duty to any Municipal or Territorial court, instead any Municipal or Territorial court has a duty to set me free from any presumption of obligation under any foreign law, and to return to me my assets and my freedom without debt or encumbrance."

Kind Regards,

Amendment 11 - Judicial Limits

The Judicial power of the United States shall not be construed to extend to any suit in law or equity, commenced or prosecuted against one of the United States by Citizens of another State, or by Citizens or Subjects of any Foreign State.

Article 4

Obligation to protect our persons (under 1789 and 1790 definitions of "person") and property

1789 ARTICLE [IV.] The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Amendment X

The powers not delegated to the United States by the Constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people.

Article IV - Supremacy Clause

The **Supremacy Clause** of the Constitution of the United States (**Article VI, Clause 2**), establishes that the Constitution, federal laws made pursuant to it, and treaties made under its authority, constitute the "supreme Law of the Land", and thus take priority over any conflicting state laws. It provides that state courts are bound by, and state constitutions subordinate to, the supreme law.

Read the Constitutions. Article VI contains the Supremacy Clause. There is no higher law for them to obey than the Law of the Land.

Read Amendment X. Anything that isn't specifically delegated to them remains our bailiwick.

Read Amendment XI. No American is subject to foreign law.

Article IV. The United States shall provide to ever state of the Union a republican form of government
