RE: Case No. D-16-540334-Z

Charles J. Hoskin,

After reviewing the Divorce Document and Custody Ruling, it has come to my attention that your Court and COURT are misaddressing me and are impersonating me. You and your Court and COURT are attempting to revenue a Usufruct Derivative that you are not authorized to use. I own both copyright and trademark to the vessels: Nicholas Bryant Cox, Nicholas B. Cox, Nicholas Cox, NICHOLAS BRYANT COX, NICHOLAS B. COX and NICHOLAS COX. This is fraud, theft and criminal. The claim is void ab initio.

Enclosed: CERTIFICATE OF ASSUMED NAME, MANDATORY NOTICE, Deed of Re-Conveyance, and Criminal Information, Claim of Notice of Liability. If you and your Court or COURT wish to decline contract with both my vessels; I require a Notice of withdrawal, and a refund of my fee for Notice of Discretionary Review.

1. I apply the full faith and credit clause per Minnesota Supreme Court, **which declared that 'child support' was Unconstitutional.**
2. **Without probable cause this matter is a major violation that makes every action by the agency and court illegal and unlawful.**
3. I move to close the matter and I place the court on notice of appeal.
4. I request a validation of the child support order issued against me. I believe there may be grounds for a review of this order, and I respectfully request that you provide any documentation or information that supports the validity of this claim.
5. Please give this legal Notice to the highest ranking manager in your office or to the office's legal department, due to the contractual content and its legal importance. If you are not licensed to practice law, you must forward this reply to someone who is and then have them rebut all codes referenced above, point for point in an affidavit and have them sign in wet ink under penalty of perjury.

A copy, facsimile or digital scan of this Notice of Misaddressing and Impersonation shall be as lawfully binding as an original, is true complete and correct to the best of my knowledge and I so declare under Penalty of Perjury under the Public Law of The United States of America (non-incorporated).

Notice to Agents is Notice to Principal. Notice to Principal is Notice to Agents

So issued and affirmed without prejudice, without the United States and without the United States of America October 20th of 2025
