Whereas I, the living woman known as Sandra Anne Corcoran, am the result of the life and love and physical embodiment of my parents, the living man known as Earl Bedford and the living woman known as Therese Bedford (née Domingue), who were lawfully wedded in Auburn, Maine, now therefore I am their living daughter from the moment of conception and from the first combining of their unique genetic code to create my unique genetic code and my zygote in support of my physical embodiment then and now, and as I am the only true and surviving inheritor, I hereby publish my claim and recording of the facts:

The Afterbirth composed of a placenta, umbilical cord, and fetal tissues which accompanied me into this world and which was in possession of my DNA was never a viable separate living organism and was instead a portion of my flesh akin to any hair, skin, or other representation of my genetic content, that was not abandoned, not donated, and not returned to me or my parents for burial.
