Dear Commissioner Michael Faulkender and Successors,

This letter is to inform you and to state that I revoke my election to pay federal income taxes as of January 1st 2016. I made the mistake that I needed to do so. Having determined that I was never actually a volunteer Warrant Officer in the Merchant Marine Service and clearing the confusion about what a Withholding Agent was and now knowing that I am not a Withholding Agent and never have been when I had signed previous 1040 and other federal tax forms, I now revoke my election to pay any federal income taxes from the above date and going forward.

NEVADA ATTORNEY GENERAL  
Aaron D. Ford  
1 State of Nevada Way, Suite 100  
Las Vegas, Nevada, 89119

Dear ATTORNEY GENERAL OF NEVADA Aaron D. Ford,

I, a living woman, am serving you Notice of my standing as a State National in Nevada, as I know it is your duty to defend my constitutional guarantees.

I am exempt from all Municipal duty and service by my exemption found at Title 50, Section 7 (c) and (e) of the 2012 Edition of the Federal Code. I am not an individual corporation created under Municipal law.

I am exempt from all Territorial obligations, as I am a Foreign Sovereign as stated on the Mandatory Foreign Sovereign Immunity Notice (Enclosed). I claim my exemption under the Supremacy Clause of Article VI of The Constitution of the United States of America and Amendment XI thereof, which provides that no American is subject to foreign law. I am not an individual created under 1 USC 8 as a Territorial citizen.

I have only one contract and one contract only with the government officials. If they are MUNICIPAL Employees, the contract is The Constitution of the United States. If they are Territorial Employees the contract is The Constitution of the United States of America. Article VI is the Supremacy Clause, no other law, statute, code, or regulation stands above the Constitution owed to me as an American and any contrary law is null and void. Amendment 10, the power remains with the States and the people. Amendment 11, Americans are not subject to any foreign law. Ever! This includes the statutes of the States of States and the codes of the Federal Subcontractors.

Therefore, I owe no duty to any Municipal or Territorial court, instead any Municipal or Territorial court has a duty to set me free from any presumption of obligation under any foreign law, and to return to me my assets and my freedom without debt or encumbrance.

Kind Regards,

By: Yvonne Colleen Theoret ©

Dear DISTRICT ATTORNEY Steven B. Wolfson,

I, a living woman, am serving you Notice of my standing as a State National in Nevada, as I know it is your duty to defend my constitutional guarantees.

I am exempt from all Municipal duty and service by my exemption found at Title 50, Section 7 (c) and (e) of the 2012 Edition of the Federal Code. I am not an individual corporation created under Municipal law.

I am exempt from all Territorial obligations, as I am a Foreign Sovereign as stated on the Mandatory Foreign Sovereign Immunity Notice (Enclosed). I claim my exemption under the Supremacy Clause of Article VI of The Constitution of the United States of America and Amendment XI thereof, which provides that no American is subject to foreign law. I am not an individual created under 1 USC 8 as a Territorial citizen.

I have only one contract and one contract only with the government officials. If they are MUNICIPAL Employees, the contract is The Constitution of the United States. If they are Territorial Employees the contract is The Constitution of the United States of America. Article VI is the Supremacy Clause, no other law, statute, code, or regulation stands above the Constitution owed to me as an American and any contrary law is null and void. Amendment 10, the power remains with the States and the people. Amendment 11, Americans are not subject to any foreign law. Ever! This includes the statutes of the States of States and the codes of the Federal Subcontractors.

Therefore, I owe no duty to any Municipal or Territorial court, instead any Municipal or Territorial court has a duty to set me free from any presumption of obligation under any foreign law, and to return to me my assets and my freedom without debt or encumbrance.

Kind Regards,
